

12th Annual Center for Circadian Biology Symposium

February 7-9, 2022

UC San Diego

An exciting event and opportunity

We invite you to sponsor and participate in the UC San Diego Center for Circadian Biology (CCB) 12th Annual Circadian Biology Symposium, to be held at the UC San Diego Scripps Institution of Oceanography, February 7-9, 2022. The meeting brings together top researchers from around the world, including participation from more than 50 local labs that are part of our center. The symposium features an unparalleled breadth and depth of leading-edge research and groundbreaking biological timing discoveries in plants, animals, and humans, and spans molecular biology to clinical applications. By sponsoring, you will join the *Who's Who* in circadian and sleep research in this exciting venture and help us invent the future.
